PESHAWAR: An 11-year-old girl, who had gone to a nearby store to buy some groceries, was found dead in Peshawar's Saddar Railway Colony on Monday.

As per details, the girl's body was found in a nearby plot hours after she had gone missing. Mohammad Nazir, the father of the victim, said that he had sent her to buy *niswar* but she did not come despite the passage of several hours.

The girl's body was found late in the night with a fresh wound on her head as well as bruises around her neck.
